

GOD REVEALED

Delighting in the Character of the Creator

It has been said that what a person thinks about God is the most important thing about them. Every aspect of our lives, no matter how big or small, is profoundly affected by what we believe about God. Does He exist? Does He rule? Is He good? Some see God as a cruel dictator in the sky, others as a Santa Claus figure who exists to bless them. Whatever your view of God, you can be sure that it shapes who you are. Thankfully we do not have to rely on human guesses or opinions; God has revealed Himself to us.

Over a period of four evenings six local pastors will strive to unpack from the Bible what God Himself has told us about who He is. Our prayer is not only that you might know the truth about God, but that you might come to know Him as *your* God. Our desire is that this conference would cause you to increase in your knowledge *about* God, your faith *in* God, your obedience *to* God, and your love *for* God. This conference is free and there is no pre-registration. Please call 252-206-1377 if you have any questions or need more information. Nursery will be provided.
